

Map Symbol: Incident Symbols

Exported: 1/13/2015 5:35:34 PM

Layer Category: Emergency Response Teams or Units

Layer Description: This is a sample of symbols that can be created using the oval as the base symbol for units. This is a symbol is good if you have a system that actively maps the location of units.

Symbol	Layer	Shape	Description
	Bomb Squad Explosives Team	Point	A symbols that represents Bomb Squad/Explosives Team
	Brush Patrol, Firefighting (Type VI Engine)	Point	A symbols that represents Brush Patrol, Firefighting (Type VI Engine)
	Buses	Point	A symbols that represents Buses
	Cave Search and Rescue Team	Point	A symbols that represents Cave Search and Rescue Team
	Cranes, Crawler (Lattice)	Point	A symbols that represents Cranes, Crawler (Lattice)
	Crew Transport (Firefighting Crew)	Point	A symbols that represents Crew Transport (Firefighting Crew)
	Emergency Critical Care Team	Point	A symbols that represents Emergency/Critical Care Team
	Engine, Fire (Pumper)	Point	A symbols that represents Engine, Fire (Pumper)
	Fire Boat	Point	A symbols that represents Fire Boat
	Fire Truck Aerial (Ladder or Platform)	Point	A symbols that represents Fire Truck - Aerial (Ladder or Platform)
	Floodlights	Point	A symbols that represents Floodlights
	Foam Tender, Firefighting	Point	A symbols that represents Foam Tender, Firefighting
	Fuel Tender (Gasoline, Diesel, AvGas, aka Gas Tanker)	Point	A symbols that represents Fuel Tender (Gasoline, Diesel, AvGas, aka Gas Tanker)
	Generators	Point	A symbols that represents Generators
	Grader with Attachments	Point	A symbols that represents Grader with Attachments

	Hand Crew	Point	A symbols that represents Hand Crew
	HazMat Entry Team	Point	A symbols that represents HazMat Entry Team
	Helicopters, Firefighting	Point	A symbols that represents Helicopters, Firefighting
	Large Animal Transport Team	Point	A symbols that represents Large Animal Transport Team
	Mine and Tunnel Search and Rescue Team	Point	A symbols that represents Mine and Tunnel Search and Rescue Team
	Mobile Field Medical Team	Point	A symbols that represents Mobile Field Medical Team
	Mountain Search and Rescue Team	Point	A symbols that represents Mountain Search and Rescue Team
	Pathfinder Task Force	Point	A symbols that represents Pathfinder Task Force
	Public Health and Medical Team in a Shelter	Point	A symbols that represents Public Health and Medical Team in a Shelter
	Public Safety Dive Team	Point	A symbols that represents Public Safety Dive Team
	Radio Direction Finding Team	Point	A symbols that represents Radio Direction Finding Team
	SWAT Tactical Teams	Point	A symbols that represents SWAT/Tactical Teams
	Scraper, Earth Moving	Point	A symbols that represents Scraper, Earth Moving
	Strike Team, Engine (Fire)	Point	A symbols that represents Strike Team, Engine (Fire)
	Swiftwater Flood Search and Rescue Team	Point	A symbols that represents Swiftwater/Flood Search and Rescue Team
	Track Dozer	Point	A symbols that represents Track Dozer
	Track Loader	Point	A symbols that represents Track Loader
	Tug Boat (General)	Point	A symbols that represents Tug Boat (General)
	US R Task Forces	Point	A symbols that represents US&R Task Forces

Layer Category: NIMS Organization Positions, Detailed List

Layer Description:

Symbol	Layer	Shape	Description
--------	-------	-------	-------------

	1	Point	A symbols that represents 1
	10	Point	A symbols that represents 10
	2	Point	A symbols that represents 2
	3	Point	A symbols that represents 3
	4	Point	A symbols that represents 4
	5	Point	A symbols that represents 5
	6	Point	A symbols that represents 6
	7	Point	A symbols that represents 7
	8	Point	A symbols that represents 8
	9	Point	A symbols that represents 9
	A	Point	A symbols that represents A
	AIR	Point	A symbols that represents AIR
	B	Point	A symbols that represents B
	C	Point	A symbols that represents C
	D	Point	A symbols that represents D
	E	Point	A symbols that represents E
	F	Point	A symbols that represents F
	Finance	Point	A symbols that represents Finance
	G	Point	A symbols that represents G
	H	Point	A symbols that represents H
	I	Point	A symbols that represents I
	II	Point	A symbols that represents II

	III	Point	A symbols that represents III
	IV	Point	A symbols that represents IV
	IX	Point	A symbols that represents IX
	LAW	Point	A symbols that represents LAW
	Law	Point	A symbols that represents Law
	Liason Officer	Point	A symbols that represents Liason Officer
	Logistics	Point	A symbols that represents Logistics
	Operations	Point	A symbols that represents Operations
	Planning	Point	A symbols that represents Planning
	Public Information Officer	Point	A symbols that represents Public Information Officer
	RIT	Point	A symbols that represents RIT
	Safety Officer	Point	A symbols that represents Safety Officer
	V	Point	A symbols that represents V
	VI	Point	A symbols that represents VI
	VII	Point	A symbols that represents VII
	VIII	Point	A symbols that represents VIII
	Vent	Point	A symbols that represents Vent
	X	Point	A symbols that represents X

Layer Category: Team or Unit

Layer Description: This is a generic set of symbols that can be modified based on the unit type. For example is a map is populated with apparatus with unit ID, then that can be used for the text in the middle of the symbol

Symbol	Layer	Shape	Description
	Animal Health Emergency	Point	A symbols that represents Animal Health Emergency

	Emergency Medical Services	Point	A symbols that represents Emergency Medical Services
	Fire and HazMat	Point	A symbols that represents Fire and HazMat
	Incident Management Resources	Point	A symbols that represents Incident Management Resources
	Law Enforcement and Security	Point	A symbols that represents Law Enforcement and Security
	Medical and Public Health	Point	A symbols that represents Medical and Public Health
	Pathfinder	Point	A symbols that represents Pathfinder
	Public Works Resources	Point	A symbols that represents Public Works Resources
	Search and Rescue	Point	A symbols that represents Search and Rescue

	Base	Point	A symbols that represents Base
	Bomb Squad	Point	A symbols that represents Bomb Squad
	Camp	Point	A symbols that represents Camp
	Civilian Staging	Point	A symbols that represents Civilian Staging
	Command Post	Point	A symbols that represents Command Post
	De-contamination	Point	A symbols that represents Decontamination
	EMS Transport	Point	A symbols that represents EMS Transport
	Evacuation Shelters	Point	A symbols that represents Evacuation Shelters
	First Aid for Responders	Point	A symbols that represents First Aid for Responders
	Fixed Resource	Point	A symbols that represents Fixed Resource
	HazMat Containment	Point	A symbols that represents HazMat Containment
	Marine Operations	Point	A symbols that represents Marine Operations
	Patient Treatment	Point	A symbols that represents Patient Treatment
	Patient Triage	Point	A symbols that represents Patient Triage
	Public Information	Point	A symbols that represents Public Information
	SWAT	Point	A symbols that represents SWAT
	Staging	Point	A symbols that represents Staging
	Water Supply	Point	A symbols that represents Water Supply
	Wildland Air Operations	Point	A symbols that represents Wildland Air Operations

Layer Category: NIMS Tasks Levels

Layer Description: This is a generic set of symbols that can be modified based on the NIMS task level. For example if a symbol is to represent "operations", then "OPS" can be used for the text in the middle of the symbol

Symbol	Layer	Shape	Description
	Branch	Point	A symbols that represents Branch
	Command	Point	A symbols that represents Command
	Division	Point	A symbols that represents Division
	Group	Point	A symbols that represents Group
	Section	Point	A symbols that represents Section

Layer Category: Incident Resources, Simple

Layer Description: This a simple list of incident resources. These resources are features that support the incident with equipment and personnel

Symbol	Layer	Shape	Description
	Air Operations	Point	A symbols that represents Air Operations
	Barriers	Point	A symbols that represents Barriers

Layer Category: Incident Resources, Detailed

Layer Description: This a detailed and complex list of incident resources. These resources are features that support the incident with equipment and personnel

Symbol	Layer	Shape	Description
--------	-------	-------	-------------

	Aerial Drop Point	Point	A symbols that represents Aerial Drop Point
	Aerial Ignition	Point	A symbols that represents Aerial Ignition
	Air Ops, Helibase	Point	A symbols that represents Air Ops, Helibase
	Air Ops, Helispot	Point	A symbols that represents Air Ops, Helispot
	Air Ops, MediVac	Point	A symbols that represents Air Ops, MediVac
	Airstrip or Airport	Point	A symbols that represents Airstrip or Airport
	Area Command Post	Point	A symbols that represents Area Command Post
	Barrier Traffic Check Point	Point	A symbols that represents Barrier Traffic Check Point
	Barrier, Emer Access Only	Point	A symbols that represents Barrier, Emer Access Only
	Barrier, No Access	Point	A symbols that represents Barrier, No Access
	Barrier, Security Check Point	Point	A symbols that represents Barrier, Security Check Point
	Base	Point	Location at the incident where the primary logistics functions are coordinated
	Bomb, Containment	Point	A symbols that represents Bomb, Containment
	Bomb, Detonate	Point	A symbols that represents Bomb, Detonate
	Camp	Point	A geographical site(s) within the general incident area, separate from the incident base,
	Civilian, Animal Reunification	Point	A symbols that represents Civilian, Animal Reunification
	Civilian, Bus or Transportation Staging	Point	A symbols that represents Civilian, Bus or Transportation Staging
	Civilian, Family Reunification	Point	A symbols that represents Civilian, Family Reunification
	Civilian, Vol Staging	Point	A symbols that represents Civilian, Vol Staging
	Containment, Absorbent	Point	A symbols that represents Containment, Absorbent
	Containment, Dam	Point	A symbols that represents Containment, Dam
	Containment, Dike	Point	A symbols that represents Containment, Dike

	Containment, Diversion	Point	A symbols that represents Containment, Diversion
	Containment, Foam	Point	A symbols that represents Containment, Foam
	Decon, Ambulatory	Point	A symbols that represents Decon, Ambulatory
	Decon, Gross	Point	A symbols that represents Decon, Gross
	Decon, Non Ambulatory	Point	A symbols that represents Decon, Non Ambulatory
	EMS Transport, ALS	Point	A symbols that represents EMS Transport, ALS
	EMS Transport, BLS	Point	A symbols that represents EMS Transport, BLS
	EMS Transport, Critical Care	Point	A symbols that represents EMS Transport, Critical Care
	EMS Transport, ILS	Point	A symbols that represents EMS Transport, ILS
	Emergency Operations Center	Point	A symbols that represents Emergency Operations Center
	Evac Area	Point	A symbols that represents Evac Area
	Evac Shelter	Point	A symbols that represents Evac Shelter
	First Aid	Point	A symbols that represents First Aid
	Fixed EMS Station	Point	A symbols that represents Fixed EMS Station
	Fixed Fire Station	Point	A symbols that represents Fixed Fire Station
	Fixed Hospital	Point	A symbols that represents Fixed Hospital
	Fixed Police Station	Point	A symbols that represents Fixed Police Station
	Incident Command Post	Point	A symbols that represents Incident Command Post
	Joint Operations Center	Point	A symbols that represents Joint Operations Center
	Marine Dock	Point	A symbols that represents Marine Dock
	Marine LZ	Point	A symbols that represents Marine LZ
	Marine Launch	Point	A symbols that represents Marine Launch

	Multiple Agency Coordination Center	Point	A symbols that represents Multiple Agency Coordination Center
	Pub Info General Public	Point	A symbols that represents Pub Info General Public
	Pub Info Media	Point	A symbols that represents Pub Info Media
	SWAT, Hostage Negotiator	Point	A symbols that represents SWAT, Hostage Negotiator
	SWAT, K9	Point	A symbols that represents SWAT, K9
	SWAT, Rally Point	Point	A symbols that represents SWAT, Rally Point
	SWAT, Rehearsal	Point	A symbols that represents SWAT, Rehearsal
	SWAT, Sniper	Point	A symbols that represents SWAT, Sniper
	SWAT, Standoff	Point	A symbols that represents SWAT, Standoff
	SWAT, Tactical EMS	Point	A symbols that represents SWAT, Tactical EMS
	Staging, Air	Point	A symbols that represents Staging, Air
	Staging, All	Point	A symbols that represents Staging, All
	Staging, EMS	Point	A symbols that represents Staging, EMS
	Staging, Equipment	Point	A symbols that represents Staging, Equipment
	Staging, Faith Counseling	Point	A symbols that represents Staging, Faith Counseling
	Staging, Fire	Point	A symbols that represents Staging, Fire
	Staging, Forward	Point	A symbols that represents Staging, Forward
	Staging, Grief Counseling	Point	A symbols that represents Staging, Grief Counseling
	Staging, HazMat	Point	A symbols that represents Staging, HazMat
	Staging, Law	Point	A symbols that represents Staging, Law
	Staging, Rehab	Point	A symbols that represents Staging, Rehab
	Staging, Secondary	Point	A symbols that represents Staging, Secondary

	TX Green	Point	A symbols that represents TX- Green
	TX Morgue	Point	A symbols that represents TX- Morgue
	TX Red	Point	A symbols that represents TX- Red
	TX Yellow	Point	A symbols that represents TX- Yellow
	Triage	Point	A symbols that represents Triage
	Water P General	Point	A symbols that represents Water P-General
	Water P Helicopter	Point	A symbols that represents Water P-Helicopter
	Water P Hydrant	Point	A symbols that represents Water P-Hydrant
	Water P Retardant or Mud Pit	Point	A symbols that represents Water P-Retardant or Mud Pit
	Water P Retardant or Mud Pit PU	Point	A symbols that represents Water P-Retardant or Mud Pit PU
	Water P Vehicle	Point	A symbols that represents Water P-Vehicle

Layer Category: Emergency Access Points, Detailed

Layer Description: Symbol for access point. This scheme uses a combination of diamonds indicating hazards and triangle indicating "access". All use the color green for "access".

Symbol	Layer	Shape	Description
	Ambulance Access	Point	A symbols that represents - Ambulance Access
	Ladder Truck Access	Point	A symbols that represents - Ladder Truck Access
	No Ambulance Access	Point	A symbols that represents - No Ambulance Access
	No Engine Access	Point	A symbols that represents - No Engine Access
	No Truck Access	Point	A symbols that represents - No Truck Access
	Pumper Access	Point	A symbols that represents - Pumper Access
	Small Vehicle	Point	A symbols that represents - Small Vehicle

	Tram or Vertical Lift	Point	A symbols that represents - Tram or Vertical Lift
	Walking Access Only	Point	A symbols that represents - Walking Access Only
	Water Access	Point	A symbols that represents - Water Access
	FD Access	Point	A symbols that represents - FD Access
	PD Access	Point	A symbols that represents - PD Access
	PW Access	Point	A symbols that represents - PW Access
	Trail Access	Point	A symbols that represents - Trail Access

Layer Category: Incident Intelligence

Layer Description: This is a list of symbols that used to locate features that provide intelligence or information for an incident.

Symbol	Layer	Shape	Description
	Clue	Point	A symbols that represents Clue
	Communication Operation	Point	A symbols that represents Communication Operation
	Datum Points	Point	A symbols that represents Datum Points
	ELT or Cell Ping	Point	A symbols that represents ELT or Cell Ping
	Lookout	Point	A symbols that represents Lookout
	Reporting Party	Point	A symbols that represents Reporting Party
	Sensors	Point	A symbols that represents Sensors
	Weather Event	Point	A symbols that represents Weather Event
