# Goal Setting

- What are 3 things you will bring back to your agency?
  - 1 Leadership Skill
  - 1 Communication Skill
  - 1 New Approach or Perspective
- What is your vision for your agency in converging policy and technology in 2020?
- What goals can you towards realizing your vision?

***All InSPIRE materials will be made available on our website by the end of December***

# InSPIRE

Innovation Summit for  
Preparedness & Resilience

*The nation's only summit dedicated to fostering innovation  
in policy and technology for preparedness and resilience.*

Preparedness & Resilience

#InSPIRE2019

# DESIGN THINKING

## A FRAMEWORK FOR INNOVATION

### EMPATHIZE

Innovation should be human-centered.

### IDEATE

Innovation is born from a clash of ideas.

CONTEXT

FORM

### DEFINE

Innovation should solve a problem.

### TEST

Innovation should be refined.

### PROTOTYPE

Innovation should be brought to life.
