

InSPIRE

Innovation Summit for
Preparedness & Resilience

2021 Sponsorship Guide

National Alliance for Public Safety
GIS (NAPSG) Foundation
5335 Wisconsin Ave., NW | Suite 440 | Washington, DC 2001

Sponsorship Overview

On **April 6-8, 2021**, the National Alliance for Public Safety GIS (NAPSG) Foundation is hosting its 6th annual training summit – the Innovation Summit for Preparedness & Resilience (InSPIRE) – bringing together leading local, state, and Federal public safety officials, first responders, GIS staff, and technologists. In 2021, InSPIRE will be hosted at the **Radisson Hotel Downtown, Salt Lake City, Utah**.

Goal

InSPIRE provides first responders and emergency managers with a one-of-a-kind opportunity to share experiences, deepen skills, build relationships, and develop practical solutions to the most vexing policy and technology challenges facing our nation today.

Our Call

NAPSG Foundation understands the important role that the private sector plays in meeting the needs of our public safety community. This sponsorship program provides a unique opportunity for a limited number of companies to further our shared mission of supporting the public safety community in enhancing preparedness and resiliency at the local level nationwide. Participation at no-cost by public sector participants is made possible by the generosity of our Sponsors.

NAPSG Foundation is a 501(C)(3) charitable nonprofit. All contributions are tax deductible for US taxpayers to the greatest extent allowed by the IRS.

April 6-8, 2021
Radisson Hotel Downtown
Salt Lake City, Utah

Private sector registration is limited only to Event Sponsors.

Sponsorship opportunities are limited, as the benefits are tailored to maximize benefit to both our sponsors and participants.

Contact Peter O'Rourke by email at porourke@publicsafetygis.org or by phone at 202-895-1711.

Connect > Contribute > Inspire
